

Dear Professor,

The student you have been asked to write a recommendation for has applied to City Tech’s NIH Bridges to the Baccalaureate (BTB) program. The BTB program represents an integrated, evidence-based set of student developmental activities conducted in partnership with Brooklyn College that promotes academic excellence and facilitates the timely progression of students from the associate level at City Tech to the baccalaureate level at Brooklyn College in the biomedical sciences, in majors such as biology, chemistry and psychology. Accepted City Tech students are eligible for academic enrichment and student support as well as financial compensation or salary for participating in undergraduate research. We are recruiting students with the personal characteristics needed to succeed in this rigorous field. Thank you in advance for completing this form.

**Please use your City Tech email and send the completed form to: [Bridges@citytech.cuny.edu](mailto:Bridges@citytech.cuny.edu)**
